GILBERT HART LIBRARY by Wendy Savery

This month finds the library in a festive mood, kicked off by the community tree lighting hosted by the friends on December 1. This is a long standing tradition for Wallingford and the lit tree will brighten our evenings into the new year.

Another tradition has become the candy house decorating party for families. This year join us on Saturday, December 14 at 10 a.m. in the Klock room. There will be time for decorating a candy house and listening to a Dr. Seuss classic of season. Donations of goodies to help folks decorate are welcome right up until the day.

The library will be closed December 25 & 26 and January 1, 2020. The rest of the month finds us following our regular hours, including open until 8 on Wednesday the 4th, 11th, & 18th. Let it snow!

** "The History of our Yuletide Tree Lighting was described in the 1913 Vermonter in an article by Adele Duval. She reveals that Wallingford's first tree lighting occurred that year when 'a majestic monarch of emerald symmetry' was cut from local woodland. It was subsequently lit and the initial songsters were young children. The adult carolers took over at 10 p.m., enjoying "hot coffee and good things to eat" and then set out at midnight for their rounds of melodies. The festivities ended at 1 AM with a rousing snowball fight!"

WALLINGFORD RECREATION by Jamie Consolatti

Hello Neighbors, November was a great month full of prep and planning! The Line Dancing Series taking place at the Town Hall has been a huge success, with two more classes being held on 12/6 & 12/13. We hope to bring this back in the future! The Elementary Basketball Program is starting up as we welcome the winter months. The Rec team is looking to bring some more winter events to the Wallingford Community. Be on the look-out for information about winter programs as we bring in the new year!

That being said, if there are events, programs, or opportunities that you are interested in, or feel the community would benefit from, please reach out to me at JamieConsolatti@outlook.com. I'm looking forward to hearing from community members moving forward!

$$ Need a Year-End Tax Deduction?

The Green Hill Cemetery Association is asking for your help to continue keeping the cemetery beautiful, so as to honor those buried there. In past years, we have been able to use the income from lot sales, investments, burial services, and contributions to pay for most expenses. We currently have enough money; however, with lower interest rates, inflation in the cost of services and lack of burials, we are concerned that in the future, our funds will be depleted.

Please consider making a donation to help us maintain the cemetery. Any donations you make before year-end will count as a 2017 deduction. GHC operates as a 501 © (13) organization. You can donate by sending a check to: GHC, 75 School Street, Wallingford, VT 05773.

Cemetery lots are also available for sale, starting at $500 for a single casket grave or two cremations. Time-Sale financing is offered with 20% down, balance paid in 10 monthly payments. The deed is issued following the final payment. Contact Sandy Eddy at 802-446-2538 or 802-558-7038. Thank you for your support.

Supportive Services for Veteran Families

SSVF UVM is able to provide a number of services to veterans and their families such as case management, resource and referral, housing navigation assistance, budgeting, employment search, assistance with health insurance, state benefits including help with the child care subsidy and 3Squares, landlord liaison, VA benefits and SOAR Services (SSI/SSDI process) to name a few. Please refer any veterans who are homeless or facing homelessness to our pre-screening line at 802-656-3232. The call takes about 5 minutes.

Jr. & Sr. Firefighters NEEDED

We will train.

Age 16- seniors needed for work details, etc.

Please remember the following home fire prevention and safety tips:

Check all batteries in smoke and carbon monoxide detectors. These should be installed wherever someone sleeps as well as near any potential source of fire or carbon monoxide. Make sure your carbon monoxide detector has not expired. Most are good for 5 years. Make sure oil, gas, wood pellet stoves and gas fired appliances are properly vented with no restrictions and are serviced by a qualified technician. Ensure that all chimneys servicing a wood burning stove have been swept and inspected by a properly trained individual. Also be sure to have the stove or furnace itself inspected for cracks or other defects that my result in improper venting or poor fire containment. Remember periodically, and after every heavy snowfall, to check any wall vented appliances to ensure that vents have not been covered or blocked. This includes dryers, direct vented gas and wood pellet stoves and any other direct vented appliance. Be sure to keep driveways and sidewalks clear of snow and ice for your safety as well as that of any visitors or emergency service persons. If you have an elderly neighbor, be sure to check on them or clear a sidewalk for them as well. Remember to keep trees and other "live" holiday decorations well watered and inspect any lights or other electrical decorations for damage that could cause shorts and fires. DO NOT overload electrical sockets in your home! Finally you can help us out by clearing snow around a fire hydrant near your home. Have a happy and safe holiday season!

Green Mountain National Forest $5.00 Christmas Trees! The US Forest Service officials invite Vermonters to purchase $5.00 Christmas tree permits allowing them to cut a tree on National Forest land for the holidays. Get your permit at the Forest Service office at 231 N. Main Street in Rutland, tel. 747-6700 (or at the Vermont offices in Manchester or Rochester.)
