

Responses to RFP for Reappraisal Inquiries:

A question was raised regarding the extent of work to be done by the appraisal contractor (the outside firm that is the subject of this bid) versus the in house contract assessor (Lisa Garcia, Assessor for the town of Wallingford). In paragraph 2 of the RFP referencing the contract assessor completing approximately 20% of the property inspections, this statement refers to the in-house contract assessor - Ms. Garcia. The town is requesting a bid for 80% (or 920 parcels) of the property inspections to be done by the appraisal contractor.

Please feel free to contact Wallingford Assessor Lisa Garcia at (802)446-2974 if you have other questions.
