

Recreation Committee Meeting  
August 3, 2015

Meeting called to order at 7:01.

Discussed parent call regarding inappropriate behavior (smoking, drinking, language) Diane suggested handing out a paper to patrons when they enter since people may not read the big sign. Another option is to post on back of lifeguard chair.

5/28/15 minutes. Unclear if Lisa M. attended late. Minutes were approved without changes.

Summer program: Program directors would like to meet after the program ends to reflect. They reported that the summer is going well. With Selectboard support, a letter was drafted outlining behavior expectations and consequences for participants. Last week's attendance was lower than expected.

Balance of funds:

Moving Elfin Lake gate? Not sure why this was brought up. Committee members would rather spend money on park improvements-basketball court, tennis courts. Since tennis courts are in such poor condition, it was decided by those present that the priority for use of Baxter Family funds should be used to clean up (remove roots, tangled shrubbery, any needed fence work) and refurbish the tennis court.

Date for pavilion dedication: Tentative date: Saturday Sept. 19, rain date 9/26/15. Conservation committee may want to collaborate with rec. committee. We are willing to support the efforts of the conservation commission and attend a future meeting if invited.

Other business:

Continue dialog with the Selectboard re: the need for two lifeguards at the lake when open.

Future budget money: it was suggested that next year's budget money include parade traffic signs

Diane thanked Joan for her work helping with the Memorial Day Parade

Potential future meeting dates: Tuesday September 22 or 29

Meeting adjourned at 8:20.
