

Wallingford Recreation Committee  
Minutes  
November 18, 2014

Present: Diane Baker, Trisha Nash, Joan Lattuca

Meeting called to order at 7:21p.m.

Trisha was welcomed

Diane moved to accepted 8/29/14 meeting minutes. Minutes were approved as submitted.

Budget discussion:

Items discussed included need for tennis courts to be redone. If they are improved, maintenance should be a regular item to be included in budget to inhibit future deterioration.

Elfin Lake-

Need for two lifeguards: Trisha suggested that it maybe cost effective to pay a minimal wage to an on call lifeguard so that one can be available should the need arise but paying for two lifeguards when not needed can be avoided. New buoys and lines, more sand.

Pavilion at lake: Trisha brought up the possibility of asking the Stafford Tech building/carpentry program to build. Also asked about people involved with Corrections or the Serenity House working on cleaning up around the park and or doing light maintenance. She is willing to follow up on both options.

Discussed reimbursing lifeguards for the cost of certification. The idea was not supported. Diane will ask Sandi if budgeting \$12/hour for lifeguards will cover cost above hourly wage i.e. workman's comp.

Diane will forward current budget numbers to committee members.

Next meeting: Tuesday, November 25<sup>th</sup> at 6:30p.m.

Meeting adjourned at 8:20p.m.
