

Public Hearing Notice

for the

Wallingford VT Planning Commission on the Re-Adoption of the Town Plan, including the Future Land Use / Zoning Map

Monday February 12th, 2018

7 pm

Wallingford Town Offices

75 School St

The Town of Wallingford Planning Commission has worked with the Rutland Region Planning Commission for almost a year, to comprehensively update the Town Plan. The proposed Town Plan has been revised to better conform to required sections of VT Statute (24 VSA Ch. 117) and will serve as an important guidance document for the next eight years. **This will be the only Planning Commission Hearing** held, unless public input results in significant changes to the draft proposed. The will also be one Select Board Public Hearing; scheduled for March 20, 2018.

Copies of the Draft Town Plan are available at Town Office, at the Gilbert Hart Library, on the Town website (www.Wallingfordvt.com), on the Regional Planning Commission website (www.rutlandrpc.org).
