

# Early Successional Habitat Creation Project Map Green Mountain National Forest

## Map 1

	Campground		Diverse Forest Use
	Shelter		Green Mountain Escarpment
	Observation Site		Remote Wildlife Habitat
	Picnic Site		Remote Backcountry Forest
	Paved Road		Wilderness
	Gravel Road		Robert T Stafford White Rocks National Rec Area
	Dirt Road		Appalachian National Scenic Trail
	Primitive Road		Ecological Special Area
	Proposed Treatment Stands		
	Proposed Wetland Treatment Stands		
	Compartment		
	National Forest System Land		

This map displays the potential treatment stands for the Early Successional Habitat Creation Project based on the best available stand information. Field verification would occur prior to implementation and stands would be selected for treatment based on the current age and condition of the stands.

This data was compiled by the Green Mountain National Forest using the most current and complete GIS data available. Reliability or suitability of this information is not assured for any particular purpose and may be corrected, updated, or otherwise modified without notice. For additional information about this data, contact the Green Mountain National Forest, 802-747-6721.
