## VALLEY OF VERMONT

Wallingford is a picturesque New England town nestled in the Valley of Vermont, framed on the west by the Taconic Range and on the east by the Green Mountains.

A scenic drive along the Route 7 corridor through the Valley provides majestic views, and is a "Must Do" while in Vermont!

Wallingford's central location offers easy access to skiing at several ski areas, while East Dorset's Emerald Lake and Wallingford's Elfin Lake feature swimming, canoeing and kayaking. Bordering the Green Mountain National Forest and the Long and Appalachian Trails, the Valley of Vermont is a natural destination for splendid hiking and stunning views.

Wallingford's main street is listed on The National Register of Historic Places, as is the Rural Otter Creek Valley Historic District south of town. A self-guided walking tour of the town's historic district is available at the Town Office or at some of the local shops and inns. For more information, call the Wallingford Town Offices: 802-446-2336.
