

WALLINGFORD ENERGY COMMITTEE

Minutes of the December 4, 2018 Meeting

Ken Welch called the meeting to order at 6:35. Present: John Armstrong, Doug Blodgett, Katherine MacLauchlan, Ken Welch and Jay White.

Jay moved that the November minutes be accepted as written. There was no objection.

Energy Plan: John reported on conversations he has had with Barbara Noyes Pulling of RRPC and with Erika Berner of the Planning Commission. He said that things were moving along but that the plan was unlikely to be adopted until late spring. Ken groaned. "I just want this over!" John assured him that the hard part was done.

VECAN Conference: Ken and John reported on their visit to the VECAN Conference. John remarked that many of the participants seemed as set in their ways as the people who attend Trump rallies just with different preoccupations. A notable exception was a session on preaching to not the choir.

Charging Stations: Ken asked about the EV charger application. John explained that the next application was due in April and that the process was very detailed, more than the committee would be able to do on its own.

Holiday Gathering. Ken suggested a gathering. People agreed that the holidays are complicated enough as it is.

Maps. We ended the meeting looking over the detailed town maps the listers use.

The meeting was adjourned at 7:45. The next meeting will be Tuesday, January 8, 2019 at 6:30.
