VOTING

Polls Open—Tuesday, March 5
10 a.m.—7 p.m.
Wallingford Town Hall

VOTER INFORMATION

For March 5, Same Day voter registration is now in effect in Vermont allowing voters to register when they go to the polls. New voters are required by the "Help America Vote Act" to show a driver's license or provide the last four digits of their social security number. Voters must be 18 years old by March 5. Absentee Ballots are available. Ballots can be picked up in person (by the voter only) or mailed to you. To be counted, completed ballots must be dropped off at the Town Office by the close of the office on March 4, or they can be delivered to the poll site on Election Day by 7 p.m. closing. Vote on Tuesday, March 5, from 10 a.m. to 7 p.m. Call the Town Office at 446-2336 with questions.

The Highway Department would like to remind residents they are welcome to take a bucket of sand from the municipal sand pile at the Town Garage on River Street for use on their own driveways and walkways. However, the municipal sand pile is not for commercial use or resale.

It's Time to Register Your Dog for 2019

All dogs, six months of age or older, must be registered annually at the Town Clerk's Office by April 1st. A valid rabies certificate must be submitted, and we're happy to issue licenses through the mail. Fees are \$10 for spayed/neutered; otherwise, it's \$14.

We'll be holding our annual dog/cat rabies clinic in March. Watch for further details.

Cut off date for submissions will be the 23rd of each month.

Vermont Notaries Public— Notary Law is Changing

Pursuant to Act 160, 2018, notaries public will be licensed by the Secretary of State's Office of Professional Regulation (OPR), effective December 1, 2018. This change from the county assistant judges allows notaries public to join other licensed professionals—from accountants to veterinarians—under a unified licensing system with a common interface and common administrative processes. OPR professions are served by a state-of-the-art online licensing system built to make licensing fast, convenient, transparent, and accessible from almost any web-connected device. Notary Public commission licenses will now renew on a fixed two (2) year cycle with a \$15 application fee. Some professions are exempt from fee or other requirements if acting within the scope of their official duties.

Applications must be submitted online by 1/31/19. Current commissions expire on 2/10/19.

The Vermont Council on Rural Development was invited by the Town of Wallingford in April of 2018 to facilitate a Community Visit in order to bring residents together to review issues and develop strategies. From that meeting, the "Communications and Events" committee was formed. It is the committee's goal to make Wallingford residents aware of happenings around town through a Facebook page, on the town website, bulletin boards and this newsletter. We are going to conduct a town wide mailing of the newsletter over the next three months to determine whether it is an important means of distributing information. We also posted a large calendar at Town Hall that shows upcoming events. You are welcome to add your organization's events to the calendar by contacting Julie or Sandi at Town Hall. Once it's on the calendar, Julie and Sandi will incorporate it into our town newsletter and on the website. Please send us your suggestions for other ways we can communicate with you.

The Communication and Events Committee will be organizing various events throughout the year. One major event we are working on is the revival of "Wallingford Day" scheduled for Saturday, July 20, 2019. We will incorporate events from past Wallingford Days and introduce some new ones. We have a large committee working very hard to put the day together for more than just Wallingford residents to enjoy. A list of the day's possibilities include: Demonstrations, Crafters, Food vendors, Children's activities, Artist's displays, Local clubs and organizations, Dance, and Fireworks. Your suggestions or ideas to make this a successful day would be appreciated. We also need volunteers and donations. See the list of contacts at the end of this article.

To be sure our residents know what is going on in Town, we are planning to erect a bulletin board on the corner of Route 7 & 140 in front of Sal's Restaurant. If you know of anyone willing to help with construction or donate the wood, please contact a member of the Communications Committee.

Finally, we need assistance with producing this newsletter so if you can make a donation or if you have an idea for articles, please let us know. Thank you for your kind assistance, and we look forward to working with you to achieve our goals.

Wallingford Day 2019

The Wallingford Events, Communications, and Engagement task force is organizing a Wallingford Day celebration on July 20th, 2019! The day will bring our community and neighbors together for a celebration of our area, with vendors, non-profit organizations, music, food, activities, and fun for all.

Most of the day's events will take place at the Wallingford Recreational Area and fields. Over the next month we will be approaching local individuals, groups, organizations, and businesses to invite them to be involved in the day, through monetary and in-kind sponsorship, leading activities, demonstrating skills, offering services, selling food or crafts, etc. Anyone who is interested in participating or has questions should contact us at wallingfordday@gmail.com.

Our planning process is still in the very early stages but we have valuable input from residents who were involved in planning Wallingford Days in years past and from the organizers of Chittenden Day, who have generously shared their promotional material and experiences. We are also grateful for support from the Recreation Committee.

Our School Taxes

By Andy Richards-Peele, Mill River School Board Finance Committee Chair

This is really about our schools, taxes, a bond issue, continuous improvement, and what the Mill River School Board will have on the Town Meeting Day ballot. There is a good deal to discuss, please read on because this all comes down to the check we write and give to our Town Clerk and Treasurer, Julie Sharon this year.

We have reduced staffing over the last three years to reflect the decrease in enrollment and have consolidated services. These actions have allowed our budgets to stay fairly level. We have also benefited from the declining tax rate reduction we received for stepping up to Act 46 and merging promptly. This year it is only two cents on the tax rate. The school board and administrators are committed to making our district schools some of the best in the state. If you look at realtors' ads, houses in our district are frequently noted as being in the "Mill River School District" which is an indicator of the recognition we are starting to receive.

Working toward excellence, the board and administrators made two decisions which have a direct impact upon the 2019-2020 budget. First is an expansion of our PreK (Pre-kindergarten) programming for three- and four-year-olds at all four elementary schools. This will include the option of after school childcare for families that need it. Research has documented early education increases success for all students. Many working families with three- and four-year-olds have not been able to take advantage of Pre-K because our three-year-old program ends at 12:30 and is only for three days. Many four-year-olds need after school for 3 to 5:30. By adding the childcare component (for which fees will be charged to those who can afford them) we look forward to making this programming available to more of our families.

We are also enhancing our focus on the arts at Mill River Union High School. In addition to the immediate benefit of more arts-related courses for Mill River students, this will continue to solidify the recognition of Mill River as being the premier arts school of the region. The reality of decreasing student enrollment in Vermont is that area high schools are in competition for students from tuition-paying high school choice towns. Steps we take now to move our schools toward recognition as the schools to attend will help us if local enrollment decreases.

The school board is also asking voters to approve a bond for \$2.3 million to fund energy efficiency upgrades. This bond, called a Performance Contract bond, will be tax neutral, meaning it will have no impact upon taxes. The savings and built-in efficiencies from the performance contract are guaranteed by the contractor to equal the cost of the bond. If it doesn't, the contractor must pay the shortfall. The bond will allow us to replace and upgrade heating and ventilation systems, install solar panels at Mill River, and reduce lighting costs. Yes, the district voters did pass a bond for \$3.5 million just last year, so why the 2nd bond? The first bond only covered the biggest and most immediately needed building maintenance work (primarily roofing, siding, insulation, and building envelope). Frankly we did not think voters were prepared to shoulder the full cost of \$6 million in repairs. We knew that either we would do the remainder with annual budgets, or perhaps we could make a performance contract work – as we are now ready to do. This second bond allows us to continue with the important

and necessary improvements (which must be addressed and paid for at some point) while not increasing taxes.

The Numbers

Now the numbers. These numbers are for the budget lines with the largest changes. With a budget this size, there are so many changes it would take pages to list them all.

Staffing changes

-6.5 positions are being eliminated
+5.45 positions added for the expanded pre-K program and childcare
+1.5 positions added for the expanded arts focus at Mill River

There are other staffing changes which include combining positions and reassignment of duties but defy a simple + or - symbols and classification

+ 4.60 is the TOTAL change in staffing positions (not including special education)

Other changes

+ \$295,000 for contractual salary increases
+\$150,000 for increased health insurance premiums
- \$68,154 in energy efficiency savings if the bond passes, which would pay for...
+\$68,154 in bond expense if the bond passes
\$17,686,679 is the TOTAL of the district budget, this is an increase of \$859,453 from the current year, which is an increase of 5.11%

The State establishes our tax rate after the Legislature goes home in June. We can only estimate it. The tax rate for the District is the same in each town. However, the state applies a number called "Common Level of Appraisal (CLA) to account for different assessment practices in each town. If property in a town is underassessed (worth more), the CLA will raise the school tax rate. If it is worth less than the assessment, the CLA will lower the rate. After the state completes its calculations, we ESTIMATE tax rates by town are potentially impacted as follows:

Clarendon	4.32%
Shrewsbury	6.78%
Tinmouth	4.19%
Wallingford	8.31%

Despite the difference in tax rates, a house actually worth \$200,000 will pay the same amount in each town. The state changes the tax rate rather than assessments.

If you have questions, please come to the Mill River annual meeting or contact any of your Wallingford School Board representatives, Bjorn Behrendt, Maria French, Tammy Heffernan or Paul Rondinone. The Annual Meeting is 7:00 p.m. on Tuesday, February 28th at the Mill River High School library. That meeting will include an informational meeting about the bond issue.
