

WALLINGFORD ENERGY COMMITTEE

Abridged Draft Minutes of the February 4, 2020 Meeting

Subject to Approval and Revision

Ken Welch called the meeting to order at 6:35. Present: John Armstrong, Katherine MacLauchlan, Robbie Stubbins, Ken Welch and Jay White.

Jay moved and Robbie seconded the approval of the January minutes. There was no objection.

We discussed:

- Arrangements for Liz Filskov to meet with the committee and discuss her support for the 350Vermont [Climate Solutions Resolution](#). While it is too late to introduce this resolution at the town meeting in March, Katherine will follow through.
- People who have requested help from the committee as a result of the “we’re your energy committee” post in Front Porch Forum. One resident wants help in sharing or selling excess solar generation while another needs a home visit.
- Transportation, specifically whether there will be a widespread adoption of electric vehicles.
- Relationships with the Planning Commission about the draft energy plan and a report that the Regional Planning Commission considers our plan approvable with some minor amendments.

The meeting was adjourned at 7:25. The next meeting will be Tuesday, March 3 at 6:30.
