J. Sharon reported that since the agenda was written, the legislature granted the Secretary of State authority to allow the towns to start processing our ballots into the tabulator during the 30 days preceding the primary and general election. Therefore, the Board does not need to vote on the directive under Title 17 V.S.A. §2546a that allows the BCA to open and process early/absentee ballots through the voter tabulator the day prior to the election. J. Sharon asked for two election officials from different parties to conduct this process on Monday, August 10th starting at 1:30 p.m. Ann Buffum and Lynn Edmunds volunteered to process the ballots.

T. Truex made a motion to adjourn the meeting and J. McClallen seconded the motion. Motion carried (12-0). The meeting adjourned at 7.11 p.m.
