Date work is expected to be completed _____

Applicant Signature: _____ Date: _____

If work is to be done within the road right-of way, signs which designates "road closure", "men at work" or other appropriate signs shall be used.

When excavating and filling has been completed on road surface and shoulders, the applicant shall make periodic inspections and keep the area in a safe condition until the job is completed and has been reported to the Town by the applicant and a Town inspection has been made. All excavation must be backfilled with the same material taken from the hole and compacted in six inch (6") layers. All pavement must be cut and ALL work must be completed within fifteen (15) days. Upon inspection of the finished project by the Town, if the project is completed satisfactorily, the Town will process a voucher for the full refund, within 90 days.

FEES & REQUIREMENTS

***\$300 refundable deposit required for pavement cuts and \$200 for gravel cuts.
\$25 administrative fee (Please write 2 checks, so that your original check for the refundable deposit can be returned to you.)
Current proof of liability & workers comp insurance attached.***
