Re: PUC Case # 20-1979-NMP – Application of MHG Solar LLC for a certificate of public good, pursuant to 30 V.S.A. §§ 8010 and 248, to install and operate a 500 kW group net-metered solar electric generation facility located off Creek Road in Wallingford, Vermont, to be known as the “Creek Road Solar Project”

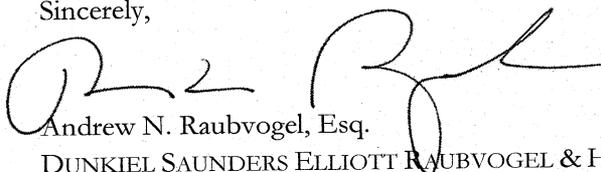

To the Above-Named Entities,

On July 24, 2020, MHG Solar LLC (“MHG”) filed its Section 8010/248 Application with the Vermont Public Utility Commission (“PUC”) for approval of a 500 kW group net-metered solar electric generation facility located in Wallingford, Vermont. The PUC has determined that MHG’s application is administratively complete, and assigned it Case No. 20-1979-NMP. As a result, MHG is providing the enclosed copy of the Application pursuant to PUC Rule 5.107(E) and the PUC’s August 18, 2020 Memorandum. You may also access all documents (including the full application in color) using the above case number at <http://epuc.vermont.gov>. Additional information is also available at the following websites:

- For information on the Commission, please visit <http://puc.vermont.gov/document/citizen-guide-public-utility-commission>.
- For information on public participation through public comment or intervention, visit <https://puc.vermont.gov/document/public-participation-and-intervention-proceedings-public-utility-commission> and <http://puc.vermont.gov/document/net-metering-procedures>.

Pursuant to the PUC’s order, the period for filing public comments, notices of intervention, motions to intervene, and requests for hearing ends on September 17, 2020.

Sincerely,

Andrew N. Raubvogel, Esq.
