Lighting the Book Path in conjunction with the Gilbert Hart Library seemed to be a big hit given last Saturday's foot traffic, we are hopeful for the same this Saturday

Discussion about different winter activities

- Snowshoeing
- Winter fun day
- Ice skating
- Snowman building event
- Book Path exploration
- Sledding
- Fire ring w/hot dogs and cocoa

Perhaps open this event up to two days to make it easier folks to attend

Discussion about a mural; perhaps something interactive at the Transfer Station, maybe a more traditional mural somewhere along Rt. 7

Discussion about the CD fund \$14,000 and how it should be spent. Some ideas that were floated were the retaining wall, painting, upgrades at the lake as well as playground equipment
