

Wallingford Recreation Committee
August 9, 2021

Attendance: Trish Nash, Diane Baker, and Tabitha Davis

Meeting Called to order: 6:34

Agenda additions/deletions

- None

Approve July minutes

- Diane made a motion to approve the minutes as amended. Tabitha seconded the motion.

Public Comment

- No public comment

Other business

- Select board update: Basketball hoops at the recreation field are done.
- John Mclean suggested that the water come from the watershed. Trish will follow-up with Chris Hays about the water.
- The selectboard has requested that the recreation committee discuss a skating rink for the town. The recreation committee is concerned that having a skating rink at the recreation field may damage the fields causing disruption to spring sports at the recreation field. The committee is curious where we would get the water to build the skating rink.
- Discussion of the erosion at Elfin Lake is complete. No further discussion needed.
- The recreation committee would like to discuss a new dock and buoys at the next meeting.
- Recreation committee would like to purchase a fence to go up between the basketball court and the skateboarding area.
- Recreation committee would like to purchase new kayaks, fix the basketball structure, and a new volleyball net at the lake.
