Committee updated by Trisha Nash on Chris Hayes non acceptance of water at the water shed and not being eligable to join CC grant for work at the beach.

Other business: We, as a committee, wish to ask the selectboard for permission to buy a new dock, buoys, 2 kayaks, a new volleyball net, basketball hoop and backboard for the beach. We would also ask permission to get quotes from landscaping businesses to remove any bushes from around the tennis court fencing and to spray the baseball diamonds to decrease weed growth.
