

WEC Minutes – 10/5/21 **Approved**

Attendees: D.Castonguay, J.White, D. Blodgett, K. Welch, R. Stebbins, K. Rockwell, J. Armstrong

Discussion of “Hartsboro Solar” Project, Hartsboro rd. Motion approved for the WEC to generally support the project and encourage the developer to allow opportunity for community participation in purchasing shares of solar energy if possible.

WEC meeting Minutes approved for June and Sept. 2021

The group had very lengthy discussion/ comments and revisions to the WEC’s energy plan for the town of Wallingford. Motion approved that Katherine will receive additional comments/edits from the group by Oct 8, and the finalize the document.

Group discussion on the most efficient methods to inform Wallingford citizens on available energy savings plans, weatherization, etc. Ken to contact ‘Heat Squad’ in this regard and Rob to check with BROCC. Others include town Facebook page/ newsletter/ FPF for multilevel, multilayered publicity.

EV Demo efforts would be most effective and efficient if combined with another public event such as Wallingford Days, rather than stand alone efforts. Ken will contact GMP officials to explore this further, along with similar efforts by John A.

Adjourn
