October minutes approved

Speaker Melanie * from The Heat Squad (THS) gave an interesting presentation on their programs, interface with BROOC, the wood stove exchange project, others. Discussion on how the WEC can interact with THS and help promote energy conservation with townspeople and how to publicize THS programs.

A suggestion propose to send a request to Selectboard to earmark some ARPA funds (WEC budget ?) to help subsidize energy audit cost.

Wallingford day – WEC to publicize. Seek representatives form Aldermans, Hundai etc. dealerships to demo EV's. Dave Baasche expressed interest to speak with the WEC in this regard. Doug could bring his e-bike.;

Some discussion of proposed zoning reg changes.
