

Building Committee Meeting November 15, 2021

The meeting was called to order at 5:30 p.m. by Chairman Rob Stubbins. Also present board members Joyce Barbieri and Anthony Fahoury.

The August meeting minutes were accepted by consensus. We did not have a September or October meeting for lack of a quorum.

Old business. For lack of bidders the RFP for painting has been sidelined. Rob will speak to Jay White and ask for his guidance regarding this.

Heat pumps for the town hall were again discussed. Rob will try and coordinate with Sandy Switzer and Ken Welch from the energy committee to come up with an RFP that will also include weatherization.

The salt shed at the town garage was again discussed. Phil Baker (road commissioner), Steve Lanfear (road foreman) and Nelson Tift (Selectboard Chair) and been working on this (see Selectboard minutes for October 18 and 27 and November 1) . Anthony will be available for any advice needed.

The meeting adjourned at 6:00 p.m.
