

WEC Dec. 7, 2021 Minutes

Members present: Jay W., David C., Ken W., Doug B., Ralph N., John A., Katherine M.

November Minutes approved

The WEC annual report was approved

Discussion of the proposal to subsidize energy audits by requesting the selectboard to approve \$5,000 in ARPA funds for this purpose. Homeowners would then pay \$50 dollars for a \$150 home energy audit. Sandy will forward the proposal to the selectboard. Jay mentioned Rotary may also participate in this project. Ken suggested we may want to ask BROCC for their potential participation as well. Robbie may have an appropriate contact with BROCC about this.

Discussion followed on the newly released VT Climate Action Plan which supports many of the energy saving ideas WEC promotes. Doug will attempt to distribute a short ANR slideshow on the main points of the Action Plan to WEC members.
