Agenda Amendments. None.

Road Commissioner's Report. Road Commissioner Phil Baker provided an overview of the 2014 Kenworth's mechanical issues related to the injector pump, lines, towing, parts and labor. He said Turunen's based in Poultney estimated parts would cost up to \$15,000 and towing and labor would add up to \$10,000 more for a total cost of up to \$25,000. He said parts would take at least a month and likely longer to receive.

Mr. Baker recommended purchasing the Town of Clarendon's 2014 single axle International with a max force motor and 56,800 miles at a cost of \$15,000 including plow. He said Clarendon had the motor overhauled. Mr. Baker said he test drove it.

K. Luzader asked about the Public Works Mutual Aid agreement with 23 other Rutland County towns and whether Wallingford could rent/lease a vehicle. Mr. Baker said those were for short term use and most municipalities would not be able to spare a vehicle this time of year.

Town Administrator Sandi Switzer asked if Clarendon had offered a rental/lease option for the vehicle. Mr. Baker said he had not obtained that information.

There was a discussion regarding the \$43,000 carryover in the FY'21 Highway Budget that was earmarked for paving this summer. Mr. Baker recommended using those funds for the Kenworth repair and purchase of Clarendon's truck.

After further discussion, B. Duchesne made a motion that was seconded by P. Pranger to rescind the motion at the 01/18/22 meeting to approve the FY'23 budget. Motion carried (5-0).

K. Luzader made a motion that was seconded by B. Duchesne to rescind her motion to approve the Warning at the 01/18/22 meeting. Motion carried (5-0).

By consensus, the Board amended the paving budget line 5325 to \$65,000.

By consensus, the Board agreed to increase Legal line 5115 from \$2,500 to \$5,000 as a result of Narragansett Indian Tribe Historic Preservation Office's appeal of a tax-exempt status request denial.

B. Duchesne asked about increasing line 5317 for Tree Service/landscaping to address areas such as East Street. Mr. Baker replied the Highway budget had several other increases and he preferred to leave the line at \$3,250.

B. Duchesne made a motion that was seconded by P. Pranger to approve the FY'23 Budget of \$1,345,779.05 with \$992,037.06 to be raised in taxes. Motion carried (5-0).

K. Luzader made a motion that was seconded by B. Duchesne to approve the Town Meeting Warning as revised with budget and tax figures. Motion carried (5-0).

K. Luzader made a motion that was seconded by R. Regula to approve up to \$15,000 for the purchase of the 2014 International single axle truck from the Town of Clarendon. Motion carried (5-0).

By consensus, the Board authorized Mr. Baker to repair the 2014 Kenworth estimated up to \$25,000.

By consensus, the Board agreed attorney Gary Kupferer should not attend the Board of Civil Authority meeting involving the Narragansett Indian Tribe Historic Preservation Office tax-exempt status.
