

WEC Minutes – 1/4/22

Approved

Present: Jon A., Katherine M., Jay W., David C., Ken W., Doug B.

December minutes approved

Discussion as to how to present the energy plan to the town. Discussed sides of various elements/ enhancements represented in the state's "enhanced energy plan" to more clearly present to the various stakeholders. Discussed next steps and follow up on status of the energy plan previously approved by the WEC. Suggestions from the Regional planning office to add a checklist and to redo maps as per regional planning maps. Discussed meeting informally with interested community members in small groups in advance of formal town wide meeting.

Discussed status of enforcing certificates of compliance (ending point to zoning permit) which was tabled by selectboard.

Building committee update on town hall. Ken encouraged the use of bid documents.

Status of ARPA funds proposal to subsidize home energy audits. Selectboard is seeking members to study the appropriate use/application of ARPA funds.
