

WALLINGFORD ENERGY COMMITTEE

NOTE: Previously announced meeting has been postponed due to conflicts

Agenda for the rescheduled meeting now on October 11, 2022
6:30 PM in person

Second floor of Town Hall

Review, discussion and approval of the June minutes.

- Encouraging residents and businesses to convert to electric lawn mowers – Ralph Nimtz
- Researching electric school buses for Mill River Unified School District – John Armstrong.
- Discuss networking with Wallingford Fire District to assess where opportunities might exist to install solar PV to reduce energy costs for the town.
- Status of ARPA applications.
- Status of weatherization of Town Hall.
- Heat pump proposal for Town Hall

New business from the floor.
