Feb. Minutes Approved

Current WEC Officers approved – David C. Chair, Katherine M. Vice Chair

WEC meetings will be moved to start at 6:00pm rather than 6:30

Discussion of Solar Installation Setbacks and Screening:

These should comply with State Statute VSA Title 30, Section 248 which guide setbacks based on size of the installation. The setback language described in Sections 3A and 3B of this statute will be added to the Wallingford Energy Plan by the Chair.

“Window Dressers” – Should the WEC encourage this volunteer program for Wallingford homeowners? Seems like this could be positive. Ken will follow up on this with Mellanie of The Heat Squad to get more information on the program.

Wallingford Day : WEC would like to encourage an EV “Show and Tell” as part of this event. John will contact Wallingford Day organizers about this.
