GILBERT HART LIBRARY by Wendy Savery, Librarian

What's the buzz? For starters, the Palace Project! If you listen to public radio or read local newspapers, this initiative is gaining traction throughout our Brave Little State. In fact, Vermont and California happen to be some of the first state library systems to offer this platform to all their libraries for lending audio and ebooks to patrons. Gilbert Hart has connected with the VT Department of Libraries as they are steering the ship, and we will be adding the Palace Project to our offerings in about a month or so. Meanwhile, we continue to provide patrons with access to a great collection of audios and ebooks through ListenUP! Vermont. Links to that resource as well as others, including Universal Class and Gale databases, may found on the right hand side of our webpage: ghlib.wordpress.com. Should you need help getting set up with anything, including being sure your information on file at the library and your card number is up to date, send an email to Susan or Wendy or stop by the GHL.

The final book discussion in our spring series, *Project Hail Mary* by Andy Weir, happens on Thursday, May 4th, at 3:30 p.m. in the Vermont Room. Finally, the biggest buzz this month is centered on the Friend's Annual Plant and Book Sale along with a fabulous basket raffle! See you on May 20th, if not sooner.

Hours: Monday & Thursday 10 am-4 pm;
Wednesday & Friday 10 am-3 pm; and
Saturday 9 am-1 pm

FRIENDS OF THE LIBRARY by Nan Dubin

Spring is here, and so is the annual Friends of Gilbert Hart Library Basket Raffle and Plant Sale! We will happily accept any donations of plants, cuttings, and pots prior to the sale. We are especially in need of pots, which may be brought to the back door of the library at any time, and plants can be dropped off after May 12. The Sale will be held at the library on Saturday, May 20 from 9:00 AM - 12:00 PM, and there will be an assortment of annuals and perennials for purchase. Baked goods and other treats will also be offered, and a wide variety of books will be on sale in the Klock room. and only 90 will be sold. The winners will be chosen during the plant sale and will be notified if not present. We hope to see you at the library on May 20, and thank you for supporting the work of the Friends.

The Friends of Gilbert Hart Library will meet on Thursday, May 11 at 10:00 AM in the Klock room. Please join us; new members are always welcome!

Preschool child must turn 3 years old on or before August 31st.
 K child must turn 4 years old on or before August 31st.

When/where: Wallingford Elementary School, Friday, May 19th.
 Please call Sarah Bolster, Pre-K Coordinator, at (802) 786-3998, Ext. 218 for an appointment.

The ARPA committee has finalized many of our recommendations for the applications for ARPA money. The applications were widely divergent; they represent the needs of the town as a whole, the three villages, smaller groups within the town, and the business sector. We are extremely pleased with the impact this money will have in Wallingford for decades to come.

The ARPA committee will be presenting our recommendations to the Selectboard at their Monday, May 1st meeting.

Thank you to all the applicants for their work in gathering and presenting the information necessary to submitting and moving their requests forward; without these efforts, we would not be able to use this money nearly as effectively in meeting the town's needs. Thank you, also, to the committee members who have put in significant hours in bringing this process to the point of making these initial recommendations. It has been a real pleasure to work with such a diverse and collaborative group.

And thank you, especially, to Sandi Switzer who has provided us with her tireless support. She has provided information, communication, and good humor through it all.
 Peg Soule, ARPA Committee Chair

Public Music Concert, Sunday, May 7th 2:00 p.m., Tunes, Tulips and Treats

Please come out for an enjoyable afternoon program of familiar pieces and classical selections. We are certain to be inspired by the music of Dan Graves on piano and a string quartet with Kathy Luzader. Delicious treats will be available after the concert, and there will be a collection of Tulips for your consideration. All of our free will donations will be sent to earthquake victims in Syria and Turkey. The concert will take place in the sanctuary of First Congregational Church on South Main St. in Wallingford. Thank you for coming and for your participation in this special fundraiser.

OPEN STUDIO - May 27-28 Memorial Day Weekend

Once again Vermont artists and crafters are showcasing their handmade work for the consideration of interested viewers. Galleries and studios throughout the state are inviting visitors to learn more about their cultivated passions. This is the 31st year Vermont Crafts Council has organized this event; check out their website - vermontcrafts.com.

Along with all the other participating members, Kathy and I (Braided in Vermont), would be delighted to have you stop in on us at 1206 Church Street, Wallingford. We'll be happy to share our traditional work of braiding with wool.
