

Wallingford Recreation Committee

DRAFT Minutes

June 1, 2023

Committee members present: Sumio Seo, Brian Ferguson, Raven Crispino & Shannon Pytlik

Members Missing: David Cornwell,

- Approve Agenda
- Approve Minutes 5/11/23 - tabled
- Public Comment - none
- Budget – The group discussed recommendations and prioritizing remaining funds. From the information provided by the treasurer it looks like there is about \$4800 unspent in the 22-23 Recreation budget. We discussed priorities to recommend to the Selectboard for the surplus funds:
 - \$530 concession stand – clean, scrape, reface the crumbling cement block base of building – prevent further rot.
 - 2k Water at park – \$1200 plumbing + \$600 hole plus fixtures and a contingency we approve of 2k to include some contingency.
 - Clay at park \$1700 for 2 loads to stockpile and RCLL could spread.
 - Remaining funds – up to 1k Security –
 - no quote from Royal they would be over 3k
 - Amazon set up under \$1k record 24/7 and time/date stamp every time it is triggered by motion – 4 camera systems. Rec could install but someone (police?) would need to check data log to find pictures of incidents. Would want to install high and need to have power in building.
 - Game cam – could be done but issues with where pics would go (need cel phone service) and how we would change batteries.
 - Priorities for remaining funds:

Concession Stand Painting	\$530.00
Water At Park	\$2,000.00
Clay	\$1,700.00
Security (if remaining funds up to 1k)	\$1,000.00
TOTAL:	\$5,230.00
- New Business: none
- The meeting adjourned at 6:15
