Public Comment - none

Ongoing Liability Discussion - tabled

Flood damage at Recreation Area – The south baseball field is bad. The north field and the softball field are not as bad but could use some clay. We will get a few estimates to fix the fields. We should see if any company would donate the clay material.

Water at the park – reschedule install – We will call Bill and Phil to set up a date.

Schedule day to install security system and other field maintenance – Brian will do it he needs the monitor.

Survey Results – table until David is with us.

Grant opportunities – not prepared for these grants but keep them in mind in the future.

- 2023 FY2024 Building Communities Facilities Grants – Due 9/10/23
- WUV Enhancement Fund – Due 9/15/23

Upcoming Rec Options

- Ballroom dancing – we agree we should ask the Selectboard if we can offer this class the women has insurance and loved the upstairs space.
- Other options?

We think our 5th member moved out of town so we will ask Sandy how to deal with it.
