

WALLINGFORD ENERGY COMMITTEE

Agenda for the February 6, 2024 Meeting
5:30 PM in person

Second floor of Town Hall

Approval of minutes from the December 2023 meeting.

Report by Ken Welch on status of RFP for Town Heat pumps

New state program funding for solar arrays on municipal and school buildings. I have asked the Select Board for permission to explore the idea for the town.

RRPC has offered to provide us with updated data and maps for a revised Enhanced Energy Plan. Should we pursue this?

Open discussion of new business from the floor.
