

WALLINGFORD ENERGY COMMITTEE

APPROVED Minutes for the September 19, 2023 Meeting
6:00 PM Town Hall

Attendees : Jay W., Tom F., Ken W., David C., Katherine M., Doug B.,
Jon A

June minutes approved

David advised that Ralph N. attended Selectboard meeting to discuss the town hall boiler replacement. The Selectboard was not interested in hiring an engineer for this proposed system.

Ken reported that a town hall painting contract was accepted by the Selectboard. The weatherization bid resulted in three bidders with Eric Salsa's bid selected for \$24,800.

WEC discussed the possibility of a town solar array but David explained that MERP grant money cannot be used for PV panels. David will continue to investigate this issue.

Ken agreed to put together an RFP for the town Hall heat pump project.

David agreed to ask the town Selectboard what specifically what ideas/ energy projects they would like the WEC to explore. David will also query adjacent towns to gauge the interest in a joint meeting of town energy committees.
