

WALLINGFORD ENERGY COMMITTEE

Agenda for the May 7, 2023 Meeting
6:00 PM

First floor of Town Hall

Approval of minutes from the April meeting.

Assessing progress on three projects that are either approved or in the process of being approved:

1. Heat pumps for first floor offices. Approved. What is the status of the bid process?
2. Re-lamping Town Hall offices with LED conversions kits. Funded by Energy Committee 2022-2023 budget.
3. Oil-fired boiler replacement. Select Board is interested in moving ahead. Ken Welch has sourced a propane dealer to come and spec the project.

Open discussion of new business from the floor.
