The quorum approved minutes of June 12 meeting

Public Comments: None

Town Hall Heating and Cooling:

- The meeting primarily focused on discussions of the logistics surrounding town hall project RFP's/bidding/timing etc.
- Jay and Tom attended the June 2nd Selectboard meeting to discuss town hall heating and cooling.
- One person attended the boiler site visit on June 24.
- The Selectboard approved the RFP for heat pumps with line items. It was discussed that the resistance heating coils originally planned for the second floor had been removed from the plan.
- Propane boiler bids are due on July 15 and will be opened at the July 15 SB meeting.
- Heat pump site visit will be July 9 and bids are due August 1st.
- Tom will approach the Fire District regarding the possibility of accessing 3-phase service if needed (currently used only by the siren).

A question was raised regarding the status of LED lighting for town hall. This will be followed up at the next meeting.

Meeting adjourned at 6:30pm
