Select board results- the select board approved to have two bouncy houses with a waiver being signed for people to get into the bouncy house and proof of insurance through the company that we are getting the bouncy houses from. Also the select board approved Meadow Street being closed down for safety matters and we just have to send a letter to the homeowners on Meadow Street and put up signs prior to closing the road and we are also going to post it on front porch forum! Todd said that he had road closure signs and barricades so we will use them for the road closure but the homeowners and vendors and handicapped drop offs will still be able to get on to that road!
