Dear Homeowner,

Due to the need to terminate the blowoff by the Firehouse, the water to your residence will need to be turned off. This is planned to happen on Wednesday, November 5, 2025. The earliest the water will be shut off is 8am and can last until the afternoon. We anticipate resolving the issue as soon as possible unless some unforeseen emergency presents itself during the excavation and repair process.

Thank you in advance for your time and I apologize for any inconvenience this may cause. If you have any questions, please feel free to contact the office at the number provided at the top of this letter.

Sincerely,

Marianne McClure
Clerk/Treasurer
