

Wallingford Energy Committee
Approved Minutes for Nov. 4, 2025
5:30 PM at 75 School St.
Wallingford VT Town Hall

- Members Present: D. Blodgett, K. MacLauchlan, K. Welch, J. White, T. Fort
- Others Present: G. Mayer (Selectboard Liaison)

- Additions/Deletions to Agenda: None

- Approve minutes of Oct. 7, 2025 meeting: Unanimously approved

- Public Comments: None

- Town Solar Array
 - Update from solar contractor was pending at time of the EC Meeting. Next day update from contractor indicated that the racking system is now complete, panels are to be installed mid-November, and connections to be finalized in December.
 - Once array is implemented, we will notify the IRS of intent to claim tax credits for the town (per process communicated by Vermont League of Cities and Towns).

- Town Hall Heating/Cooling (2nd Floor)
 - Installation of second floor heat pumps to be completed by the end of November.

- Town Energy Plan
 - Rutland Regional Planning (RRP) communicated that there should be a single energy plan and it should be included in its entirety within the broader town plan document. RRP will be updating the plan with new data and provide it to the Wallingford Planning Commission this calendar year. The Energy Committee will review the energy section and make any necessary edits in time for public review in advance of town meeting.

- Annual VECAN Summit
 - Tom updated the committee on information presented at the annual VECAN Summit held in Fairlee, VT on 11/1/25.

- New business from the floor
 - Jay updated the committee on the recent executive order by Governor Scott to repeal the 2024 Vermont residential and commercial building energy standards and reinstate the 2020 codes.

- Meeting adjourned at 6:40PM

- Next EC meeting will be at 5:30PM on 12/2/25 at the Town Hall.
