## Proposed Fiscal Year 2027 Budget

The Selectboard has proposed a fiscal year 2027 budget that will balance the needs of the community with the pocketbooks of taxpayers. Part of this process includes long overdue Capital planning to replace the sand shed this summer and several older Highway Department vehicles requiring costly repairs in the coming years. The total proposed municipal budget of \$1,609,903 is up 8 percent or \$120,234. The amount to be raised in taxes is \$1,184,804. The proposed budget is available online at [www.wallingfordvt.com](http://www.wallingfordvt.com) under the Government heading on the Home page then Town Meeting in the drop down menu. Annual Town Reports will be distributed in mid-February.

For a closer look at budget numbers, the Administration section of the budget is \$599,375. This represents a 3 percent or \$19,125 increase. Three percent cost of living raises were given to employees and there's an anticipated \$5,650 increase on line 5025 for all insurances - unemployment, liability, health, dental, etc. - from \$107,550 to \$113,200.

The Town Government section of the proposed budget is \$257,114, up \$67,194 from the current \$189,920. The increase is due to Grant Expenses line 5027 in the amount of \$68,670. These funds will be used for required local matches for two grants: the Town was awarded \$800,000 to replace School Street sidewalks and after setting aside Asset Fund (formerly ARPA) for the local match, the Town needed to budget \$57,350 for the balance. Sidewalk construction will begin this spring. The Town was also awarded \$13,187 to update the Local Hazard Mitigation Plan as required by FEMA. FEMA cut funding for this program last April, so the Town obtained a grant for this \$13,000 expense requiring a 10 percent local match.

The Appropriations' budget of \$84,764 is up \$189. Nearly every line was level funded. Unfortunately, that means the Town had to turn down Gilbert Hart Library's request for a \$5,000 increase.

The Highway Budget of \$435,915 increased just \$1,355 from the current \$434,560. Most lines were level funded.

The Public Safety budget of \$84,535 is up slightly. The Board hoped to increase weekly police patrols, However, with unavoidable adjustments in other areas of the budget, the decision was made to increase line 5406 Special Police Officer Contract to reflect the anticipated 5 percent increase in Rutland County Sheriff services.

The Capital Budget of \$101,500 is up \$20,000 from the current \$81,500. The Board has diligently worked on a multiyear Capital plan to replace the dilapidated sand shed as well as outdated Highway Department equipment –including the 2016 Kenworth dump truck and the 2011 Caterpillar backhoe – both of which are costing the Town significant dollars in ongoing repairs. For this year, the

Board opted not to put the usual \$40,000 into the Bridge Fund line 5712 in order to increase the Highway Reserve Fund line 5716 from \$20,000 to \$80,000. The plan is to use the reserve fund in this next fiscal year to help pay for the cost to replace the sand shed and in future years to replace the 2016 Kenworth dump truck and eventually replace the 2011 Backhoe.

The Recreation budget of \$46,700 is up \$8,400 from the current \$38,300. We need to resurface and repair the tennis court at a cost of \$8,328, so line 5805 Maintenance was increased from \$4,000 to \$12,400. Resurfacing is needed every five years or so.

As you review the proposed fiscal year 2027 budget, you will see many line items were level funded or reduced. Of the \$120,234 increase - \$68,670 will be used for local matches for important grants; \$5,650 for insurance increases; cost of living adjustments of \$12,000 for employees; \$8,400 for needed tennis court resurfacing and repairs; \$2,900 added for three elections in the fiscal year; and we've increased the overall Capital budget by \$20,000 for much needed future planning.

Finally, Capital Planning for the Town of Wallingford is overdue. By comparison, here is what some of our neighbors set aside annually in their budgets:

Annual appropriations to highway equipment reserve funds

- Plymouth - \$130K
- Clarendon - \$100K
- Shrewsbury - \$85K
- West Rutland - \$80K
- Danby - \$70K (50 for equipment, 20 for highway structures)
- Ira - \$60K
- Wells - \$50K
- Pawlet - \$50K
- Middletown Springs - \$40K (20 for equipment, 20 for highway buildings)
- Proctor - \$30K
- Wallingford - \$20K (fiscal year 2026).
- 

The Selectboard urges voters to attend any upcoming Selectboard meeting (first and third Mondays of each month) and/or the Monday, March 2, 2026 annual Informational Meeting at Wallingford Elementary School at 7:00 p.m. to review the budget or ask questions.

### ~ Homestead Declaration ~

By Vermont law, property owners whose homes meet the definition of a Vermont homestead must file a Homestead Declaration annually by the April filing deadline-April 15, 2026.

In Vermont, all property is subject to education property tax to pay for the state's schools. For this purpose, the property is categorized as either nonhomestead or homestead. All property is considered nonhomestead unless it is declared as a homestead. The education property tax rate levied on nonhomestead property differs from the rate levied on homestead property.

It is your responsibility as the property owner to claim the property as a homestead if you meet, or expect to meet, the following requirements: 1) You are a Vermont resident and 2) You own and occupy a homestead as your domicile as of 4/1/2026.

**How to File:** Online - Taxpayers may file returns using myVTax at [myVTax.vermont.gov](http://myVTax.vermont.gov), the state's free, secure online filing site. Paper Returns - If you cannot file and pay through myVTax, you may still use the paper forms. The Homestead Declaration is filed using Form HS-122, the Homestead Declaration, and Property Tax Credit Claim.

Most file the Homestead Declaration with the VT income tax return. However, if you apply to extend the time to file your income tax return, the *Homestead Declaration must still be filed by the April filing deadline*. Even if you are not required to file a Vermont Income Tax Return, the declaration must **STILL** be filed by the deadline.

**Filing Deadline ~ April 15<sup>th</sup>**

## Congratulations Wallingford Residents

Thanks to your recycling efforts, in 2025, you have diverted over 2½ tons of plastic from landfills! Since the Wallingford Conservation Commission implemented the program in 2023 you have saved over 14,000 pounds of plastic from entering landfills.

The W.C.C. sends a "thank you" Art and Jerry at the Transfer Station for the great job they do managing the plastic we recycle. We also thank Dennis and Tom for transporting the collected plastic to the drop off station in Rutland.

We especially thank **YOU** for your continued support and remind you to separate out your clean, stretchable plastic, (think baggies, pellet bags, cling wrap, bread bags, produce bags, etc) and deposit them in the specially marked bins at the Transfer Station. They will be recycled and turned into decking material and outdoor furniture by the Trex company.

As we start this new year, let's commit to diverting even more plastic away from landfills. Maybe we can reach a goal of 4 tons for the year 2026!

## GREEN MOUNTAIN ~NEIGHBORS~

Mount Holly ~ Shrewsbury ~ Wallingford

### Update on Green Mountain Neighbors:

Now that we have all turned the page on 2025, GMN would like to update you on what we have accomplished this past year. We provided over 175 services to our members in Wallingford, Shrewsbury, and Mount Holly, including transporting them to appointments, attending educational events, and hosting monthly luncheons and wine-and-cheese events.

We now have over 60 members and 50 volunteers! As our membership grows each year, so does our need for more volunteers! If you would be interested in becoming a member or exploring the idea of volunteering for GMN, please check out our website: [greenmountainneighbors.org](http://greenmountainneighbors.org) You can also call 802-417-2292 and listen to the prompts. We are an A501-C3 organization, run entirely by volunteers. We would love to have you participate in our efforts to help our seniors stay in the homes and towns they love, as long as they are able.

### GMN Leadership Update:

One of our original Neighbors, Sally Deinzer, though still healthy, has made the decision to leave her long-time home in Shrewsbury for the relative ease of living at The Gables in Rutland: No shoveling, weeding, or worries about navigating her driveway or whether that washing machine will last through the year– etc. etc. It is very hard for her to leave her community of friends, the trails in her own woodland and other places in town that she has enjoyed daily for 25 years, the gardens she watched bloom in reward for her labors the prior year – until 2025 when her legs and knees wouldn't let her move about as she needed. Sally expects to put her house on the market by March and hopes to be able to move before this year's spring ephemerals and bulbs bloom, when it will be much harder to leave. She knows she leaves Green Mountain Neighbors in good hands. The Gables is less than a half hour away, and she plans to come to check out those Shrewsbury roads and trails, maybe even go to GMN luncheons as a guest.
