Tony made a motion to approve the pay orders as presented; Chelsey seconded it. With no discussion the motion carried (3-0).

**Old Business:**

Kevin asked Tony if he had a chance to look at heaters for the Lodge and tires for the snow machine. Tony stated that he had not had a chance to yet, but that he would.

**New Business:**

The board went over the monthly financials and signed off on them.

Marianne stated that she had received an email from Michelle Kenny who owns the Wallingford Block regarding the sidewalks. Michelle stated the following in her email, "This year the sidewalks on the Block side of School Street have not been cleared well and it's not only a danger for tenants/customers, but vendors are having trouble accessing the block businesses for deliveries." Michelle also asked, "I am wondering what the procedure is for proper sidewalk maintenance: I presume it is clearing the walkways best they can with the plow they have, but are they also sanding and/or salting after that basic removal? If not, I would ask that they do, as that would be the best for pedestrians and greatly decreases the chance of falls/injury." Marianne also stated that the Selectboard discussed snow removal at their meeting and that they requested that the sidewalks

be sanded/salted after every storm. Kevin stated that the sidewalks should be cleared immediately and that they should be sanded/salted after. He also stated that the sidewalks need to be started no later than 6:00am. Chelsey stated that the concrete ramp part of the sidewalk by the block was not being done and stated that it needs to be done. Kevin stated that one of the board members would talk to Dennis, the plow guy, regarding the matter.
