### **\*\*\*Behavior Guidelines and Discipline Procedures\*\*\***

**Wallingford Camp expects a safe, friendly, inclusive environment.**

\*Be kind, respectful, and safe to staff, other campers, other patrons of the lake, and to the environment. We take up a lot of space at the lake. Keep your stuff together and when possible in your backpack.

\*Keep our area clean. Make sure your trash gets to the garbage can. If it gets blown on the ground, it is still yours. Take care of it. Support your friends.

\*Keep your hands to yourself.

\*Stay with the group. You should always be able to be seen by the director or a camp counselor.

\*Appropriate language should be used.

\*An issue that cannot be easily resolved between campers, should be brought to the staff, so we can assist you in solving the problem.

### **\*\*\*When respect or safety rules are broken\*\*\***

Staff will redirect the camper(s). Time aside may be used for de-escalation. The situation will be discussed. The staff will document the incident, if necessary. It may be brought to the parents attention. A second offense will result in the same as above, but will include a written warning. A third offense may result in loss of privilege to attend the program.

I \_\_\_\_\_ (camper) have read and agree to the Wallingford Camp Guidelines.
