~Safety Reminder~

Wednesday, August 26th marks the first day of school! School days naturally bring extra traffic and congestion. With school buses picking up & dropping off students, kids walking and hurried parents rushing to drop off their children before work, it is more important than ever for drivers to slow down.

Please stay highly alert when children are present ~ especially immediately before and after school. Parents, even after your own kids are safely dropped off, please continue to drive slowly. Vehicles frequently speed on School Street but many children are still walking to school.

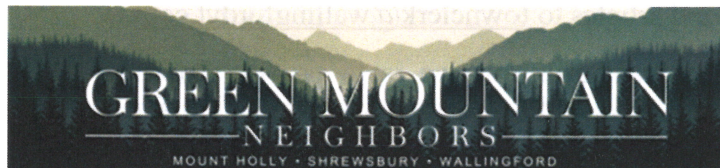

**Thank you all for doing your part in
keeping our community safe!**

The Planning Team for the Local Hazard Mitigation Plan Update has developed a draft goal and actions to mitigate the impacts of natural hazards in Wallingford. Let us know if you think we are on the right track by taking the online survey at

Physical copies are also available for pickup at Town Hall and Gilber Hart Library and must be submitted to the Town Clerk no later than Friday, September 25th. For more information on the Wallingford LHMP update process, visit <https://tinyurl.com/shrewsbury-lhmp26>.

~Green Mountain Neighbors Monthly Update~ Neighbors Helping Neighbors!

Volunteers: As our membership grows each year, so does our need for more volunteers. You don't even need to leave home!. In particular, GMN is seeking a volunteer with technical skills to assist with software administration and setup to help manage the organization. Please email tech@greenmountainneighbors.org with your skills and interests.

If you are interested in becoming a member, a supporting member, or explore volunteering with GMN, please check out our website at greenmountainneighbors.org. You can also call (802) 417-2292 and listen to the prompts. We are a 501(c)(3) organization run entirely by volunteers. We would love to have you participate in our efforts to help our seniors stay in the homes and towns they love as long as they are able.

Events:

~Bingo at Wallingford House, 1:30-3:30, on the third Monday of each month.

~VNA/Hospice of SW Virginia will hold a discussion regarding Advance Directives on August 26th, 1:30-3:00 @ Wallingford Gilbert Hall Library.

GILBERT HART LIBRARY by Wendy Savery

Seasonal changes at the library this month include new displays of books highlighting autumn themes: preserving, preparing for winter, changes in the natural world, and more.

By the end of September, a change will also happen on the book path. One title featured will be the picture book *The Day the Children Saved the World*, written by Wallingford Elementary School Principal Phil Hall. Look for a posting on front porch forum when the change of books happens, then take a walk and read along to find out how gestures of kindness, love, and respect can truly make a difference.

There are still copies of this year's Vermont Humanities Council's VT Reads selection, the graphic novel *Charity & Sylvia* by Tillie Walden, available at the library for community members to take home for reading and reflecting before a discussion of the title happens sometime in October.

Finally, the work on Depot Street to repair a water main leak is complete, and with that we are very appreciative of a new access point by the lower entrance from the street to the walkway leading inside. With that in mind, please refrain from blocking that area when parking on Depot Street to allow better accessibility for everyone, especially folks who may have mobility challenges. Special thanks to Phil Baker and the road crew that orchestrated this upgrade at the suggestion of our library Friends and Trustees!
